

SYDNEY SPORTS MED TESTIMONIAL

Working with **Australian Business Review** helped us to look at our business objectively and think logically in terms of competing for business. Following our initial review, assistance was provided where and when it was needed. ABR were knowledgeable and understood the challenges we faced as owners of a small business. Some of the areas ABR assisted us with included:

- ✔ Alignment of Schedule of Fees
- ✔ Online advertising campaigns
- ✔ Website design and development
- ✔ Marketing copy to encourage referrals
- ✔ Lead sourcing for consulting business
- ✔ CRM system advice
- ✔ Research on Ergonomic Consulting
- ✔ Client proposal development
- ✔ Sales process development
- ✔ Sales training and on-the-job coaching

Business Profile

Sydney Sportsmed Clinic provides a comprehensive sports medicine service for the prevention and treatment of injuries.

Since working with Australian Business Review, we have changed our outlook on some important issues relating to our business and our income has increased by 20% in just a few months. I would have no reservations in recommending Australian Business Review to any small business owner that wishes to get results from a coaching or consulting partnership.

Marnie Douglas, Director.
